A&A is the Ghanaian Law firm of choice and with over 14 years of providing top-notch legal services to a range of local and international clients, the brand we created stands creditably among the leading law firms in Ghana. A&A is a member of MSI Global Alliance an international association of law firms operating in over 100 countries with 25 years of experience.

At A&A, we clearly understand client needs. Therefore, we balance all relevant dynamics, and apply our legal expertise to solve the myriad of legal challenges clients face and help create opportunities that move the client's business forward.

At A&A we recognize our dynamic human resources as our greatest assets and are committed to using same in solving clients' legal problems. A&A focuses on the interface between law and development and our strong team of experts provide a holistic view of issues, enabling our lawyers to give our clients the best legal advice and service.

A&A's VISION

Our vision is to develop into a renowned law practice, which aids in the resolution of the various problems facing businesses, individuals and governments across the globe, by providing legal services and when required, legal aid to the underserved.

Our focus is on three interrelated domains of service: innovative and creative ideas for **RESOLVING LEGAL CHALLENGES**; collaborative, unique, bespoke **LEGAL SOLUTIONS** for clients; and **RESULTS-ORIENTED** legal facilitation of the businesses and endeavours of our clients.

OUR SERVICES

At A&A, we provide custom-made legal services to a wide range of clients. We believe that all clients are primarily interested in having pragmatic, innovative and customised solutions to the legal challenges they are confronted with in the real world.

Our legal team possesses the experience and knowledge base to take up challenging legal work and provide clients with the most efficient and effective strategies for resolving their legal issues.

LET US FIGHT FOR YOU

At A&A, we firmly believe that litigation is only necessary when all other legally available options, including Alternative Dispute Resolution Mechanisms fail.

We are committed to finding solutions to the legal challenges of our clients at the least possible cost to them. The foundation of our corporate practice is hinged on our track record in proffering sound legal advice to our clientele. At the heart of our practice is the delivery of swift and accurate legal services.

Our corporate practice is designed to allow clients an opportunity to have a direct working relationship with our solicitors. In our view, this enriches the client experience and maximises accuracy, efficiency and responsiveness, while minimizing costs and duplicative efforts.

OUR CLIENTELE

A&A provides legal services to governments, financial institutions, oil and gas companies, shipping agencies, non-governmental organisations as well as individuals.

In all engagements with our clients, we have received a stamp of approval and have not reneged on our organisational drive of ensuring that our clients leave our offices with comprehensive solutions to their legal challenges.
